On Sunday, June 24th, 2012 the Lake County Sheriff's Office was dispatched to the assisted living home at 2960 North Ridge Rd. in Perry Twp., Ohio concerning a male resident reportedly with a knife to his throat threatening suicide.

Lt. Todd Menmuir and Deputy Alan Moon responded to that location. As advised they found Jared Christopher Rowan, a resident of the Hilltop Assisted Living Home, with a knife to his throat threatening to kill himself. The deputies were able to talk Mr. Rowan into putting the knife down. He was transported to Tri-Point hospital for mental health evaluation.

Sheriff's dispatchers and responding deputies worked very well together in bringing the situation to a safe resolution and should be commended for their professionalism.
